Additionally, the conference facilitates connection, collective problem solving/discussion and collaboration with Senior Leaders.	104	199	\$156,266.00
2023 Security Force Worldwide Symposium	Department of the Air Force	Headquarters Air Force	11/8/2022	11/9/2022	CG Airbase	CO	US	The Worldwide brought together Security Force commanders and Senior Leaders from across the Total Force and every MACCOM to collaborate on strategic messaging to the career field and receive guidance on the Director's priorities. Topics covered included policy and doctrine evolutions, readiness and deployment topics, talent management, and fundamental and critical changes in the new force.	320	320	\$497,718.00
AAAA-AM Modernization and Enabling Conference	National Guard Bureau	Army National Guard	11/13/2022	11/16/2022	Huntsville	AL	US	The symposium provides a venue for coordination and discussion on critical aviation training and equipping specific topics that span all components of the Army.	118	118	\$154,314.78
11-17 Domestic Operations Conference (DOMOPS)	National Guard Bureau	NRJ/JOINT STAFF	11/15/2022	11/17/2022	NC	NC	US	The conference objective is to facilitate discussions on National Guard DOMOPS response for 2022 and the National Guard use case lessons learned to improve future operations.	264	264	\$374,000.00
Chief of Staff Advisory Council (CSAC)	National Guard Bureau	Army National Guard	11/28/2022	12/2/2022	Arifvaton	VA	US	The ARNG Chief of Staff Advisory Council is held annually to provide a forum for the Army National Guard (ARNG) and National Guard Bureau (NGB) to mutually focus on readiness.	70	0	\$109,829.00
2023 Defense Threat Reduction Agency Chemical and Biological Defense Science and Technology (CBDS&T) Conference	OSD - Under Secretary of Defense (Acquisition & Sustainment)	Defense Threat Reduction Agency	12/4/2022	12/9/2022	Tampa	FL	US	This conference will assist DTRA, the Department of Defense (DoD) and the large S&T community in identifying emerging trends in chemical and biological defense while assisting DTRA's strategic vision of enabling the DoD, U.S. Government, industry, academia, and international partners to counter and deter weapons of mass destruction (WMD) and improved threat networks. The conference will foster increased collaboration and networking while validating ideas and research through peer review; identify technical challenges and innovation solutions; assess developments among scientific disciplines and promote non-duplicative research. Hosting this conference will also provide a platform for DTRA to spotlight the innovative and disruptive agency solutions for the warfighters in the CBDS&T community at large.	472	1507	\$1,638,814.15
National Standardization Conference	National Guard Bureau	Army National Guard	12/12/2022	12/13/2022	San Antonio	TX	US	The ARNG National Aviation Modernization Conference provides training and collectively establish future courses of action for program enhancement and expansion for achieving final year end goals.	215	215	\$10,831.24
DARPA Forward Conference Series	OSD - Under Secretary of Defense (Research & Engineering)	Defense Advanced Research Projects Agency	8/30/2022	12/14/2022	Multiple	Multiple	US	The DARPA FORWARD Conference aims to help DARPA carry out its mission and the MICRF priorities by attracting imaginative and innovative ideas from nontraditional sources. The event needs to attract diverse participants to be effective. It must also offer a broad cross-section of technology "spins" opportunities to share ideas with DARPA leadership, program managers, and the wider technical community, gain immediate feedback, and open the door to establishing early linkages among potential collaborators. Consequently, the event is structured as a series of six geographically dispersed regional events at research and development (RAD) institutions (public universities) across the country.	645	7244	\$3,062,318.00
National Safety Conference	National Guard Bureau	Army National Guard	12/14/2022	12/15/2022	San Antonio	TX	US	This conference provides the ARNG Aviation and Safety centering an opportunity to converse at a national level to provide training and collectively establish future courses of action for program enhancement.	155	155	\$70,311.08
2023 DoD Maintenance Symposium	OSD - Under Secretary of Defense (Acquisition & Sustainment)	Asst Secretary of Defense (Sustainment)	12/13/2022	12/15/2022	Colorado	FL	US	The DoD Maintenance Symposium provides an effective and efficient means to engage stakeholders of maintenance and sustainment communities including the military services, government civilians, industry, academia, labor representatives, and legislative staff. As a vehicle to accomplish the mandates of the National Defense Strategy, it will address issues that affect future maintenance strategies critical to sustaining and rebuilding weapon system readiness, planning and execution. Attendees will engage on key issues, share approaches and current initiatives, allocate one another on best practices, and develop strategies for effective and efficient use of maintenance resources. The Symposium presents the opportunity for related associated meetings to be conducted in conjunction with the main technical program and use the existing Symposium infrastructure at an additional cost. It will also provide the platform for the annual presentation of the Secretary of Defense (SecDef) Maintenance Awards, the highest level awards for maintenance of weapon systems and equipment within the Department.	1274	2034	\$1,793,658.00
2023 Department of Defense Intelligence Information System Worldwide Conference	OSD - Under Secretary of Defense (Intelligence & Security)	Defense Intelligence Agency	12/12/2022	12/15/2022	San Antonio	TX	US	The intent of the DoDIES Worldwide Conference is to reach beyond the information technology community to focus on core defense intelligence missions, launch key initiatives and level of employees, customers, vendors, and mission partners around the strategic direction of the Defense Intelligence Agency (DIA) and the broader Intelligence Community. As the Intelligence Community moves toward a more integrated analytical environment, the DoDIES Worldwide Conference offers an opportunity for the community to focus on all-source intelligence and information technology as it contributes to mission success. DIA's mission of preventing strategic surprise and delivering decision advantage to warfighters, defense planners, and policy makers can only be achieved when all mission components work together. The conference provides a unique opportunity for us to address our most important intelligence challenges. It is the only event of this kind that allows government, industry and policy makers meet in one venue to confer on topics of mutual interest.	807	4607	\$487,651.44
2023-2031 AFCEC Design & Construction Partnership Symposium	Department of the Air Force	Air Combat Command	11/02/2021	11/1/2021	San Antonio	TX	US	Provide best practices, lessons learned, and case studies in the AF design/construction project lifecycle. The symposium serves to bring together approximately attendees to communicate program initiatives with lessons learned from the civil engineers enterprise offering the community the tools and approaches to manage AF projects supporting execution goals.	548	548	\$240,311.14
SMWDC Warfare Tactics Instructor's (WTI) Re-Blue	Department of the Navy	Naval U.S. Pacific Fleet	1/9/2023	1/23/2023	Washington	DC	US	WTI Re-Blue events provide the opportunity to network in each Warfare Tactics Instructor's (WTI) community skills, exchange ideas, and receive updates on the latest doctrine, tactics, techniques and procedures, experimentation and weapon systems in the fleet while building camaraderie and a culture of excellence within the WTI cadre.	154	154	\$711,000.00
SCFPAIC Catalinized Special Operations Conference	U.S. Special Operations Command	Component Level	1/9/2023	1/12/2023	Green South	HI	US	Provides essential forum for key leaders to assemble and collectively align future year requirements.	61	61	\$160,077.00
Green Tab Commanders Conference	National Guard Bureau	Army National Guard	1/9/2023	1/13/2023	North Little Rock	AR	US	This conference will be a forum for Division and MTOE/BDE Command Teams (CDR & SMC) to discuss leader requirements and metrics.	226	226	\$320,099.43
2023 Air Education and Training Command (AETC) Squadron Leadership Course Conferences 23A	Department of the Air Force	Air Education and Training Command	1/23/2023	1/27/2023	JBSA Randolph	TX	US	The purpose of the SLC is to provide all relevant Commanders, Senior Enlisted Leaders, and spouses an advanced course curriculum among squadron leadership teams with an opportunity to access guidance and leadership perspective directly from the AETC/CC. Enabling planning on a way forward for future operations and creates a shared understanding within the SLC.	70	70	\$164,217.00
SOCCENT Commanders Conference	U.S. Special Operations Command	Component Level	3/1/2023	2/2/2023	Al Udeid Air Base	QA	Other	Per the NGB Cooperative Agreement and the DoD Instruction 1025.8, National Guard Youth Challenge Program a Program Director's Workshop will be held twice a year. Due to COVID restrictions we have been unable to hold this mission critical event in-person for the last two years and its effectiveness was significantly degraded. Because of the long overdue need for in-person training, this year's conference has expanded to include covering, mentoring, and placement (RPM) coordinators. This workshop will focus on providing specific training for new program directors and provide a forum for discussing programmatic challenges and new initiatives. Additionally, the RPM department has one of the most important roles in ensuring lasting change in our cadets through placement and mentoring. This workshop will tackle myriad challenges the RPM coordinators face and provide a forum to discuss and explore different strategies to improve.	89	120	\$200,000.00
2023 National Guard Challenge Director's Winter Workshop and New Program Director Training	National Guard Bureau	NRJ/JOINT STAFF	2/6/2023	2/9/2023	Arifvaton	VA	US	Guard Senior Leadership Conferences objectives include ways to assist Joint Force Headquarters/States in the execution of major state and foreign issues.	114	117	\$61,484.00
2023 Primary Guard Senior Leadership Conference with Spouse Program and Senior Enlisted Leaders	National Guard Bureau	NRJ/JOINT STAFF	2/8/2023	2/9/2023	Arifvaton, VA	VA	US	Share information about supporting and delivering the Information Superiority Vision (ISV). Learn how the ISV can best align with the ISV's strategic objective of Modernizing our Infrastructure, Innovating and Deploying New Capabilities, and Defending our Data by Encouraging our Information as well as align with the ISV strategic goals of Leveraging our Data to Drive Advantage and Empowering our Digital Workforce Encourage the Department to remain abreast in its innovation and best value IT/enterprise solutions.	134	130	\$211,243.00
2023 DON IT Conference West	Department of the Navy	Secretary - Department of the Navy Chief Information Officer	2/13/2023	2/13/2023	San Diego	CA	US		101	509	\$157,820.00

Fiscal Year 2023 DoD Conference Report

Conference Name	Component	Subcomponent	Start Date	End Date	City	State	Country	Mission/Issue	Total Number of DoD Sponsored Attendees	Total Number of Non-DoD Sponsored Attendees	Total Conference Cost to DoD
DON Financial Management Controller Seminar	Department of the Navy	Secretary - Assistant Secretary of the Navy (Financial Management & Comptroller)	2/14/2023	2/15/2023	San Diego	CA	USA	The DON Financial Management Controller Seminar presents a tremendous opportunity for our Elected II-IV comptrollers to collaborate on the implementation of the DON FM Strategy. Our FM leadership team will have an opportunity to provide updates on executive year priorities as well as plan the next three years of our implementation approach. The Comptroller Seminar will offer a unique opportunity to collectively deep dive into targeted problem areas that have historically presented challenges towards the path to availability. Four targeted solution sessions will be held, with breakout to identify sources of action, resources required, and a committed work plan to address these issues. Budget Submitting Offices will submit business process proposals for Robot Process Automation prior to the event, present the proposals at the seminar, and the proposal that retains the greatest value in terms of time and dollar savings will be funded and prioritized during FY23.	305	208	\$720,866.20
USSOCCOM Warior Care Program Conference and Recovery Care Coordinator Training	US Special Operations Command	Command Level	2/14/2023	2/17/2023	Orlando	FL	USA	The USSOCCOM Warior Care Program (Warior Care) Conference is an annual event and a unique opportunity for personnel and entities that support the SOF Wounded, Ill, and Injured (WII) warriors to come together to discuss issues pertaining to the WII warrior and family care. In addition to the conference an added benefit is optimizing the cost effectiveness by conducting one of our DAD mandated bi-annual training requirements for Recovery Care Coordinators, reducing the TDP costs associated with bringing them back to USSOCCOM HQ for a separate event.	99	300	\$165,285.00
G1 Synchronization Conference	National Guard Bureau	Army National Guard	2/22/2023	2/23/2023	Little Rock	AR	USA	This conference will focus on Division, State GPs, Brigades, and ARNG (Division, and other key AEF) to synchronize mission, readiness, training, and modernization requirements for Multi-Domain Operations.	510	630	\$384,649.72
National Character and Leadership Symposium (NCLS)	Department of the Air Force	Air Force Academy	3/21/2023	2/24/2023	CO Springs	CO	USA	The purpose of NCLS is to advance character and leadership-development by connecting USAFA stakeholders and symposium attendees with leading experts from diverse backgrounds and experiences.	109	620	\$280,779.00
Special Air Warfare Symposium (SAWS)	US Special Operations Command	Component Level	2/07/2023	3/1/2023	Hanford Field	FL	USA	The purpose of this event is to convene subject matter experts, SOF, conventional units, industry, and academia for a Symposium that aims to both educate and connect on the future of special operations aviation.	109	1019	\$142,738.00
Cobheravac/ G4 Leads & Information Management Advisory Council (DMAC) Conference	National Guard Bureau	Army National Guard	2/27/2023	2/28/2023	Little Rock	AR	USA	The workshop is an annual CIO G-6 and Cybersecurity Workshop to communicate the ARNG Information Technology (IT) strategic direction, meet with ARNG ANG G-6 personnel, and discuss State IT issues.	108	108	\$181,284.30
Annual ARNG G2 Workshop	National Guard Bureau	Army National Guard	3/7/2023	3/9/2023	Fort Huachuca	AZ	USA	Army National Guard G2 Senior leaders release the ARNG Military Intelligence Modernization Strategy to the 54 States, Territories, and DC.	172	172	\$245,010.01
Behavioral Health Training Event	National Guard Bureau	Army National Guard	3/7/2023	3/9/2023	Little Rock	AR	USA	The BEH is a valuable opportunity for ARNG State Behavioral Health providers to coordinate efforts and standardize processes to ensure an efficient and effective force designed to support the continued resiliency and readiness of our force. The Behavioral Health Training Event will provide narrative, evidence-based training to the ARNG Behavioral Health Officers and Mental Health Technicians.	111	111	\$91,661.49
Grant Officer Representative (GOR) Training	National Guard Bureau	NR/Joint Staff	3/7/2023	3/10/2023	Palmdale	CA	USA	The GOR workshop is a training event designed for the National Guard GOR position and back up, across all 54 states, territories and the DC to ensure successful Cooperative Acquisition and Support.	105	102	\$272,229.82
Total Force Integration Symposium	Department of the Air Force	Air Combat Command	3/14/2023	3/17/2023	Joint Base Andrews AFB	MD	USA	Provides discussion space to best leverage the Total Force including NSR, DAF priorities, OI Action Orders, etc., by allowing the community to exchange ideas and draw upon the collective knowledge base. Addresses Total Force Integration and Integration challenges and uses a virtual platform to bring both informal and formal settings.	100	3000	\$218,116.00
Director's Security Maintenance Awards Conference (DSMAC)	National Guard Bureau	Army National Guard	3/21/2023	3/23/2023	New Orleans	LA	USA	DSMAC is held annually to deliver tailored training to the Recruiting and Retention Force (RRF) and to address ways to increase overall success in the coming Fiscal Year.	221	221	\$338,947.47
National Guard Integrated Primary Prevention Symposium	National Guard Bureau	NR/Joint Staff	3/20/2023	3/24/2023	North Little Rock	AR	USA	The National Guard Integrated Primary Prevention Symposium is being held to present best informed practices and methodologies to analyze effectiveness of prevention activities to the newly established Integrated Primary Prevention Workforce.	240	240	\$225,853.20
Department of Defense Mentor Proxial Summit	OSD - Under Secretary of Defense (Acquisition & Sustainment)	Asst Secretary of Defense (Sustainment)	3/27/2023	3/30/2023	Orlando	FL	USA	The Mentor Proxial Summit is a premier event that brings together Small Business Development Centers and Academia. The comprehensive event strengthens partnerships across the defense industrial base through key features such as training workshops, priority sessions, keynote addresses from industry thought leaders and subject matter experts, legislative updates, networking collaboration meetings, pitch sessions, and a technology exhibit showcase. The theme for 2023 is "Strengthening Small Business Supply Chains," which aligns with OMB's mission to maximize opportunities for small businesses and expand their footprint and competitiveness in the defense industrial base.	1	604	\$263,073.15
203 Air Education and Training Command (AETC) Squadron Leadership Course Conferences 21	Department of the Air Force	Air Education and Training Command	3/17/2023	3/11/2023	JRMA, Randolph	TX	USA	The purpose of the SLCC is to provide all assigned Commanders, Senior Inflight Leaders, and operators an advanced course curriculum arising squadron leadership teams with the opportunity to assess guidance and leadership perspective directly from the AFJCC.	70	70	\$164,317.00
SECNAV Space Summit	Department of the Navy	Navy - OPNAV Staff	3/9/2023	3/31/2023	Monterey	CA	USA	The SECNAV Naval Space Summit is intended for Senior Maritime Space Officers in Navy and Marine Corps along with Space-related agency, component, service and combatant command senior leaders to gain insight into Naval Space plans, programs and policies meeting forward.	225	225	\$382,575.00
Military Law Training Symposium (MLTS) West	Department of the Navy	Secretary - Judge Advocate General	4/1/2023	4/2/2023	Rosemead	IL	USA	Military Law Training Symposium - West provided the primary annual training for Navy Reserve Judge Advocate in one-DAF Com-provision areas including military justice, operational law, ethics, and competence in mobilization readiness.	126	126	\$125,064.00

2023 Electronics Resource Initiative (ERI) Summit	OSD - Under Secretary of Defense (Research & Engineering)	Defense Advanced Research Projects Agency	8/17/2023	8/25/2023	Seattle	WA	USA	To highlight the launch of ERI 2A, the event spotlights the new programs launching in 2023 and the technical challenges that the initiative proposes to address in the future. We will use the Summit to call attention to significant research results from ERI, showcase collaborations, drive recruitment for program managers, and hear from the decisionmakers about high-priority issues. The Summit will: - Recognize the impact of ERI research results as presented by program managers and sponsored program performers. - Showcase a holistic perspective on the vision of the new ERI 2.0 programs, and contribute to refining the vision through dialogue at workshops. - Emphasize recruitment through the importance of the role of the DARPA national managers. - Invite participation from other government agencies that are part of the national strategy for microelectronics research - including National Institute of Standards and Technology (NIST), Department of Energy (DOE), and the National Science Foundation (NSF) - to present their research focus areas and host workshops on future research series. - Showcase overall accomplishments, value, and impact of the ERI program and overall initiative to government and congressional stakeholders.	155	1328	\$643,602.47
ACE Summer Evolving Session 2023	Department of the Air Force	Air Combat Command	8/29/2023	8/30/2023	Joint Base Langley-Eglin	VA	USA	This conference will provide ACE leadership (Wing and SAE Commanders and Chiefs) a consultative forum to discuss issues that are important to the Commander and Airman in the field. This quarterly conference allows the USSOCOM CDR to discuss topics of interest vital to the Command, gather feedback, and create decisions with subordinate commanders and in-flight assets. Focus is What Matters Needs.	129	N/A	\$114,440.83
Commander's Decision Roundtable - Sage	US Special Operations Command	Component Level	8/5/2023	8/9/2023	MacDill AFB	FL	USA	The MORS is a forum providing the Army's analytic and research activities opportunities to enhance Army-wide collaboration, expose analysts to new tools and methods, obtain professional development, and receive peer review of critical Army analytic efforts. Analysts from across the Army gather with other invited guests to share recent analytical breakthroughs and new techniques to increase the effectiveness of the Army's analytic community. The symposium supports the mission-critical professional development of Functional Area (FA) 49 Army officers and Modeling, Simulation and Analysis Civilian through a series of working groups that share on-going and recently completed analysis efforts, expose analysts to new research techniques, and enable them to build professional networks.	71	129	\$125,946.50
41st Army Operations Research Symposium (AORS)	Department of the Army	Component Level	8/12/2023	8/14/2023	Abandon Pavilion Ground	MD	USA	DCMA Instruction #2162 requires a semi-annual Safety Stand-Downs for all military flight operations personnel, CSN's and QAR's who are members of an Aviation Program Team (APT). DCMA-AD provides that training through a virtual semi-annual Aircraft Operations Training Seminar or an annual resident Aircraft Operations Training Seminar. AOTS is an important event that is critical to promoting and establishing an active aviation safety culture and Safety Management System (SMS) within DCMA.	162	N/A	\$214,826.39
Aircraft Operations Training Symposium	OSD - Under Secretary of Defense (Acquisition & Statecraft)	Defense Contract Management Agency	8/11/2023	8/14/2023	Fairfax	VA	USA	The purpose of the 2023 MWC is to provide a comprehensive forum (active, guard, reserve, civilian, contractor, retired military, special operations, joint, and multinational) to address current and future issues affecting the warfighting capability, training, and lethality of the Maneuver Force. This forum is completed primarily of the supported Operational Force (Corps, Divisions and Brigade Combat Teams (BCT)) and the supporting multinational centers and schools, complemented with material, combat, and training development elements.	203	203	\$252,841.23
Maneuver Warfighter Conference 2023	Department of the Army	Component Level	8/12/2023	8/15/2023	Fort Monrre	GA	USA		198	103	\$364,404.22

Fiscal Year 2023 DoD Conference Report

Conference Name	Component	Subcomponent	Start Date	End Date	City	State	Country	Mission Issues	Total Number of DoD Sponsored Attendees	Total Number of Non-DoD Sponsored Attendees	Total Conference Cost to DoD
Leach Awards 2023	Department of the Air Force	Air Operations and Training Command	8/19/2023	8/20/2023	Fort Belvoir	TX	US	Divisions and Subdivisions - Friends Event	300	200	\$49,570.00
2023 DAF Diversity, Equity, Inclusion, and Accessibility Conference	Department of the Air Force	Headquarters Air Force	9/18/2023	9/20/2023	Washington	DC	US	The Department of the Air Force's Diversity, Equity, Inclusion, and Accessibility Conference serves as a platform where DEIA practitioners and supporters come together to inspire, inform, educate, and connect across topics that matter the most. The conference offers three days of learning, networking, and honoring excellence in DEIA across the DAF and our Senior Service Components.	250	325	\$483,163.50
2023 Undersea Warfare Fall Conference	Department of the Navy	Navy - Naval Sea Systems Command	8/18/2023	8/20/2023	Guion	CT	US	The purpose of this conference is multifold, for technical exchange between the technical community, industry and the Fleet; to gain insight into the latest requirements and developments in Undersea Warfare (UW) including submarine and mine threats and power projection from the sea.	370	600	\$377,181.00
CWMD Coordination Conference	US Special Operations Command	Component Level	8/18/2023	9/21/2023	Swainfield	VA	US	The conference will bring together CWMD experts from OSD, Joint Staff, C3C/ODM, the Military Services, other US Government Agencies, the Intelligence Community, and select partner nations. The conference provides a venue to develop recommendations to bolster blocks of government CWMD efforts focused towards campaigning in accordance with the 2022 National Defense Guidance to deter these actors and to enhance awareness on these CWMD concerns developing over the next 1 to 4 years.	170	564	\$326,479.00
Sargosa General's Leadership Symposium 2023	Department of the Navy	Navy - Bureau of Medicine and Surgery	8/30/2023	9/22/2023	Falls Church	VA	US	The Surgeon General's Leadership Symposium Conference & Reserve Conference is the key for development of common educational awareness among Navy Medicine senior leadership across the enterprise. Navy Medicine leaders from around the world will participate in executive-level communication involving strategic goals and focus on critical issues and trends that are shaping Navy Medicine today; to ensure strategic initiatives are integrated, aligned and executed to support the warfighter across the range of military operations and capabilities. SGLS is from 20-22 Sep 2023.	303	303	\$246,715.74
FY23 CPIC Committee	OSD - Under Secretary of Defense (Acquisition & Sustainment)	Defense Contract Management Agency	8/19/2023	9/23/2023	Leesburg	VA	US	Promote functional cohesiveness and ensure reliable measures of performance for CPIC. Explain highlight policy changes, emerging case law, results of RFI and GAO reviews as cost and pricing fields. Ensure expectations of Boards of Review and interpretations of policy are consistently applied and understood. Discuss CPIC's relationship to various pricing-related topics. Provide training on cost and pricing capabilities. Hear from senior Cost & Pricing personnel and determine leadership's way forward. Examine relationship between CPIC and regions, CMAA, DCAA, and contractors. Discuss and exhibit data analytic tools that identify, prioritize, track, and score workload such as workload tracker. Socialize management goals by sharing leadership's commitment to the Strategy Plan Lines of Effort and what it means to the workforce. Emphasize leadership's focus on high-risk, high-value work and on employee growth and competency. Foster and share best practices/bright spots. Share and discuss budget challenges that drive all of the above.	600	600	\$266,880.00
Band Leader Conference	National Guard Bureau	Army National Guard	8/22/2023	9/24/2023	Little Rock	AR	US	This training helps to ensure ARNG bands are in compliance with doctrinal, regulatory, and legal requirements, and promotes the use of best practices among all States, Territories, and DC with band assets.	155	155	\$155,211.20
Subversive Futures Forum Conference Attendance Approval	Department of the Air Force	US SPACE FORCE	10/17/2023	10/18/2023	Revere Hills	CA	US	AFA Chapter 147 is an American 501(c)(3) non-profit organization which is "committed to the goals of the AFA to support and be an advocate for our great US Space Force and US Air Force." Their goals are to: "1) Support aerospace education, 2) Educate the public about the critical role of space in the support of our military and, in turn, of Americans, 3) Support the Space Force and Air Force family."	N/A	N/A	\$219,000.00
March 2022 Civil Engineers Summit	Department of the Air Force	Headquarters Air Force	2/27/2023	3/10/2023	Wright-Patterson	OH	US	The March CE Summit is a mission critical conference that is planned to be held in conjunction with the CE based at Wright-Patterson AFB. This band will have CE leaders from across the world to discuss important CE matters. At the CE Summit, attendees will be able to join courses, meetings, and the CE Functional Awards Ceremony.	350	N/A	\$300,000.00
AF Vehicle Management Transformation and Acquisition Council (VTAC)	Department of the Air Force	The 4th Air Vehicle Support Chain Operations Squadron	3/13/2023	3/17/2023	Fort Belvoir	VA	US	AF VTAC meets annually to assess and advocate organizational, functional and personnel policy, as it affects Vehicle Management Enterprise. The council's mission is to optimize the combat capability of the Air Force through effective transformation of vehicle management policies by exploiting emerging technologies, ensuring functional and professional development, and maintenance of optimal Condition Logistics Readiness Vehicle Management Assets to meet expeditionary wartime requirements.	107	N/A	\$118,800.00
Guardian Field Forum	Department of the Air Force	US SPACE FORCE	3/21/2023	3/24/2023	Cann Saratov	MD	US	The inaugural GFF will provide an opportunity for competitively selected company grade officers (CGOs) and non-commissioned officers (NCOs) to provide feedback, recommendations, and innovative ideas directly to peers and USNS Senior Leaders.	90	N/A	\$200,000.00
38B Annual Space Symposium Conference	Department of the Air Force	US SPACE FORCE	4/17/2023	4/20/2023	Colorado Springs	CO	US	The Space Foundation is an American 501(c)(3) non-profit organization which offers "a gateway to education, information and collaboration for the space exploration and space-inspired industries that drive the global space ecosystem." Their mission is to "be the preeminent advocate and gateway for lifelong education, trusted information, and seamless collaboration for all people and organizations engaging in space exploration and space-inspired industries that drive the global space ecosystem."	302	N/A	\$1,850,000.00
Senior Inhaled Leader (SIL) Summit Conference	Department of the Air Force	Headquarters Air Force	4/26/2023	4/28/2023	Leesburg	VA	US	The SIL Summit will include the Chief Master Sergeant of the Air Force, wing Command Chiefs, and Career Field Managers. These attendees will bring back information to their command on emerging programs and updated policy concerning the Airman and families in their respective organizations. Additionally, this event stimulates vital mission cross-talk, critical lessons learned discussions, and offers access to senior leaders and their strategic vision.	270	N/A	\$417,000.00
2023 Services Acquisition Training Seminar and Conference	Department of the Air Force	Headquarters Air Force	5/1/2023	5/4/2023	Colorado	FL	US	The sole purpose of the SAS's training blocks is to train services professionals as required by the Defense Acquisition Workforce Improvement Act. It is not considered a "conference" and meets the requirements of a "formal classroom training experience."	342	N/A	\$600,000.00
2023 Civilian Development Conference	Department of the Air Force	Headquarters Air Force	6/26/2023	6/29/2023	Little Rock	AR	US	The Security Forces Career Field Manager is planning the next Civilian Development Conference. "Enables the Force of the Air Force."	148	N/A	\$176,000.00
Career Inhaled Aviator Worldwide Conference	Department of the Air Force	Air Force Reserve Command	7/18/2023	7/20/2023	Fort Worth	TX	US	The intent is to establish an annual worldwide conference to disseminate information directly from the CFM to target groups within the enterprise and provide professional development to the enlisted aviation force.	350	N/A	\$257,000.00
2023 Department of the Air Force Equal Opportunity Worldwide Training Conference	Department of the Air Force	Headquarters Air Force	4/17/2023	7/21/2023	Camp Springs	MD	US	The purpose of this continuing training requirement is to keep EEO Commissioners informed of developments in EEO practice, law, and guidance, as well as to enhance and develop their counseling skills. Accordingly, agencies should conduct a needs assessment to determine specific areas for training. The Commission anticipates that this training will include segments on legal and policy updates, regulatory and statutory changes, counseling skills development, and an additional eight-hour EEO Alternative Dispute Resolution (ADR) refresher.	300	N/A	\$376,500.00
